About Me

Please fill out the information below.

All potential hosts will be asked to put together a profile of themselves, their family, and their home. Youth accepted into the Host Homes program will have the opportunity to review each host profile in order to decide with which hosts they would like to meet in person and explore potentially being matched.

As a way of starting your host profile, we ask that you take some time to write an introduction to yourself that you would feel excited to share with a potential guest. Feel free to talk about your passions, your family, the values that hold together your home, or anything else that feels important to you.
